Preamble:

The parties recognized the need for a new approach to producing and recording Content. Working for a “forward thinking” approach, the following Concept was developed which:

- No longer distinguishes between platforms, conversely fees for individual platforms are equal
- No longer based on programme length or number of plays
- No longer differentiates between rehearsal and actual recording
- Uncomplicated licensing regime for pre-purchase uses and supplemental markets
- “Content used in whole or in part”

This Agreement Between:

Canadian Broadcasting Corporation
and
Canadian Federation of Musicians

RELATIONSHIP BETWEEN THE PARTIES

Article 1 - APPLICATION

- 1.1 This Agreement sets out the terms and conditions under which the Canadian Broadcasting Corporation (hereinafter referred to as “the CBC”) engages Musicians and other persons covered by this Agreement within the exclusive jurisdiction of the Canadian Federation of Musicians (hereinafter referred to as “the CFM”).

The CBC recognizes the CFM as the exclusive bargaining agent for all independent contractors who are professional artists under the Status of the Artists Act and who are engaged by the CBC as per the terms and conditions of the Certification issued by the Canadian Artists and Producers Professional Relations Tribunal (CAPPRT), on December 10th, 2007, except for:

- a) artists within the scope of the certification issued to the Canadian Actors’ Equity Association by the Canadian Artists and Producers Professional Relations Tribunal on April 25, 1996 and subject to the 1996 understanding between Canadian Actors’ Equity Association and the American Federation of Musicians of the United States and Canada;
- b) artists within the scope of the certification issued to the ACTRA Performers Guild by the Canadian Artists and Producers Professional Relations Tribunal on June 25, 1996 and subject to the agreement between the ACTRA Performers Guild and the American Federation of Musicians of the United States and Canada dated May 14, 1996.
- c) artists within the scope of the certification issued to the Union des Artistes by the Canadian Artists and Producers Professional Relations Tribunal on August 29, 1996;
- d) artists when represented by Local 406 of the American Federation of Musicians of the United States and Canada, known as la Guilde des Musiciens du Quebec (hereinafter referred to as “La Guilde”), under the terms of the agreement dated October 23, 1996 between the American Federation of Musicians of the United States and Canada and La Guilde.

1.2 The parties further agree that with the exception of Copyists and Music Librarians, the provisions of the aforementioned certification and of the *Status of the Artist Act* shall take precedence over any other article in this agreement. In the event that the jurisdiction granted or implied by any other article in this agreement exceeds that of the CFM's certification under the *Status of the Artist Act*, the CFM's certification under the Act shall take precedence, and such article shall be considered null and void. In the event that the *Status of the Artists Act* is amended to include Copyists and Music Librarians, such inclusion shall be deemed to extend to this Agreement.

1.3 Notwithstanding the above, the CBC agrees not to engage persons as employees primarily to perform musical services covered by this agreement.

1.4 The parties agree that the English and the French texts of this Agreement are official. However, should a dispute arise over the interpretation or meaning of one text as opposed to the other, it shall be referred to the AFM Vice-President from Canada ("AFM VPC") and the CBC Director of Talent Rights Management or their designates, for resolution and the English text shall prevail.

1.5 **AFM Bylaw Recognition**

All present provisions of the constitution, by-laws, rules and regulations of the AFM/CFM are, insofar as the foregoing does not conflict with any of the provisions of this General Production Agreement, made part of this contract. For greater certainty, in the event that any such conflict should appear, the provisions of this Agreement shall prevail. The parties agree that the provisions of Article 1.4 shall not be subject to the grievance procedure.

1.6 **Governing Laws**

This Agreement shall be governed by the laws of the Province of Ontario, or the laws of Canada as may be applicable.

1.7 The provisions of this Agreement shall apply to material contracted under previous CBC/AFM Agreements.

Article 2 – LIMITATIONS AND PROHIBITED PRACTICES

2.1 The CBC agrees that it shall not produce internally or commission through independent producers programming, unless the musical Content has been produced under the terms of this or other applicable AFM/CFM agreements by a signatory thereto.

Article 3 – GRIEVANCE AND ARBITRATION

- 3.1 The following procedure will apply in the event that there is a complaint or a difference relating to the interpretation, application, administration or an alleged violation of the Agreement. Any complaint or difference should be discussed, and settled if possible, at the time of its occurrence by the CFM or its Local's authorized representative and the authorized representative of the CBC.

Step 1 – Any complaint or difference which cannot be settled as provided above must be put down in writing and filed through the CFM, or its Local of jurisdiction, with the CBC within thirty (30) business days after the knowledge of the occurrence giving rise to the grievance. To be considered a grievance, the complaint or difference must indicate the Article(s) of the Agreement allegedly violated, misapplied or misinterpreted and the relief or remedy sought. The CBC will provide a written reply to the grievance within fifteen (15) business days of its receipt.

The CBC has the right to file a written grievance with the CFM within thirty (30) business days at Step 2 of the grievance procedure.

Step 2 – If the grievance is not considered settled by both parties following the Step 1 reply, the grievance shall, within fifteen (15) business days of the date of the reply, be referred to a grievance meeting with a representative of the CBC and the CFM.

Step 3 - In the event that a grievance is not settled to the satisfaction of both parties as a result of the grievance meeting or by immediate subsequent correspondence delivered not later than fourteen (14) calendar days after the meeting, the matter may be referred to arbitration by either party. Notice of referral to arbitration shall be given within forty-five (45) calendar days following the grievance meeting. Such notice to be provided in writing to the CBC and to the Office of the AFM VPC and copied to the Local.

- 3.2 **Arbitration** – Where the parties have referred to arbitration, the arbitrator selected shall be mutually acceptable. If agreement is not reached on the appointment of an arbitrator within fifteen (15) business days following the notice of referral, the process for the appointment of an arbitrator described in the *Status of the Artist Act* shall be followed. The arbitrator shall hear and determine the grievance and issue a decision, and the decision shall be final and binding upon the parties. The arbitrator is not authorized to make a decision inconsistent with the provisions of this Agreement, or to alter, modify, amend, add or delete any part of the Agreement.

The expenses of the arbitrator shall be borne equally by the CBC and the CFM.

- 3.3 Any step in this Article may be extended by mutual agreement, in writing, between the parties.
- 3.4 **Governing Law** – This Agreement shall be governed by the laws of Canada

Article 4 – DURATION, TERMINATION AND RENEWAL

- 4.1 This Agreement shall be in force for a term of four (4) years beginning August 1, 2019 and ending July 31, 2023.
- 4.2 This Agreement shall be automatically extended for six (6) month periods thereafter unless either party gives to the other party three (3) months notice of termination in writing prior to the date upon which the Agreement or any such renewal thereof terminates.
- 4.3 Notwithstanding Article 4.2 above, if the parties fail to execute a new Agreement on or before the expiry date of this Agreement, extension of the existing Agreement shall be a matter of mutual decision between the parties.

MODULE 1

GENERAL PRODUCTION

Article 6 – GENERAL TERMS and CONDITIONS (Unless specified elsewhere in the Agreement)

6.1 All fees set out in this Agreement are minimum fees. Nothing in this Agreement prevents Musicians from negotiating above the minimums as set out.

6.2 The Minimum Call for any Musician(s) is three (3) hours. The fee for such call is comprised of a broadcast fee and a fee for three (3) hours of work time. Musicians will not be required to record Content unless contracted in advance.

Unlimited Content can be recorded within a call, except as provided for in Article 22 (EMD). It is agreed, that on all sessions there shall be a rest period of not less than ten (10) minutes per hour, and five (5) minutes per ½ hour. Such rest period shall not be taken in the first ½ hour of the scheduled session, and no session shall continue for more than 1 ½ hours without a rest period. Rest period time during a live recording may be taken prior to or after the recording.

6.3 Additional hours of work may be added to a minimum call. When the call is for five (5) hours or longer, it may be divided into two (2) segments neither of which may be less than two (2) hours. The break between segments shall not exceed three (3) hours.

6.4 Content recorded can be used in whole or in part across all CBC platforms and CBC branded platforms for one (1) year. Any one (1) year period starts on the date of the first use on any platform. However, where specific terms and conditions are outlined elsewhere in the Agreement, such as Theme and Underscore, those terms will apply.

6.5 If a pre-record is used for rehearsal or recording of other elements of a Programme, the Musicians who took part in such pre-records shall be deemed to be present and shall be paid the A3 rate.

6.6 If a Musician is engaged to perform between midnight and 8:00 a.m. or on a Statutory Holiday, a premium of fifty percent (50%) will be applied:

New Year's Day, Good Friday, Easter Monday, Canada Day, Labour Day, Thanksgiving Day, Christmas Day, Victoria Day (English Canada), Patriots Day (Quebec), Fete Nationale (Quebec).

6.7 Fees and conditions governing the services of members for Local Broadcasts may be negotiated between the Local concerned and the CBC but requires the approval of the AFM VPC.

6.8 When the CBC engages a Musician and travel is required, the CBC shall negotiate a reasonable fee for transportation, per diem and accommodations, which shall not be less

than the fees that apply to CBC personnel.

- 6.9 Only members shall be engaged for performance or service covered by this Agreement except as otherwise provided for in the Agreement.
- 6.10 The Leader or Contractor is responsible for selecting the Musicians to be engaged by the CBC.
- 6.11 The Leader or Contractor shall provide the CBC the following information at the earliest possible opportunity but no later than forty-eight (48) hours prior to the engagement: names of the Musicians, SIDs and addresses, AFM membership status including membership number where applicable. Prior to the engagement being performed, the CBC will establish the membership status of the engaged Musician(s) by contacting the Local in the jurisdiction of which the engagement is to be performed. The forty-eight (48) hour time limit may be waived where the information is not available, but all missing information must be provided as soon as possible.
- 6.12 Prior to the engagement, the Corporation will negotiate and prepare a contract in accordance with the terms of this Agreement. The Corporation shall file the contract with the Local of jurisdiction within thirty (30) days of the Leader providing CBC with a signed contract.
- 6.13 All Musicians engaged must be listed on the contract.
- 6.14 The AFM shall maintain an accurate North American membership list accessible to the CBC through the internet.
- 6.15 If the Leader or Contractor has not provided the correct information or the information is not made available in time, a contract will be created which will reflect the information provided and no penalty will be paid by the CBC.
- 6.16 A playing or non-playing Contractor is required whenever ten (10) or more Musicians (including the Leader and Contractor) are engaged. The Contractor shall:
- a) Be present for the entire engagement;
 - b) Be responsible, on behalf of the Leader, for selecting the Musicians to be engaged by the CBC;
 - c) Be responsible for the conduct of the Musicians;
 - d) Adhere in all matters to the laws and regulations of the Local, to any regulations of the CFM pertaining to this Agreement, and to all provisions herein.
- 6.17 Arrangers and Copyist contracts shall be submitted within fourteen (14) days following completion of work and shall, in all cases, indicate the fee on which the Musician's Pension Fund of Canada contribution is to be calculated.

- 6.18 The CBC may elect to contract a specific group for a programme for a specific number of occasions under a term contract. The dates, times and places of the calls shall be listed in the contract. It is understood and agreed, however, that the CBC may change the schedule of calls (but not the number of calls) provided that the Leader or Contractor is advised in writing thirty (30) days in advance of such scheduled call. In the event that the CBC shall request a change less than thirty (30) days in advance, such change shall be subject to the terms and conditions of Article 8 of this Agreement.
- 6.19 The CBC shall pay individually to each member the applicable fees, unless specified elsewhere in this Agreement. However, a Musician may direct the CBC in writing to make payment to a third party, and a copy of the direction shall be provided to the Local. In all cases, a written contract for the engagement shall be executed between the CBC and the Musician(s). Where a Musician is under contract to a third party who, in turn, enters into a contract with the CBC that provides for the performance of the Musician(s), the third party shall ensure appropriate payment is made.
- 6.20 When CBC is recording a performance which is not being produced by it, in order for the CBC to use the rates set out in Module 6 [C Rates, Remotes], the Prime Engager of that performance or engagement must have a properly executed AFM/CFM Agreement with all musicians on the engagement and filed with the Local in the jurisdiction of which the engagement takes place. To verify that such negotiated agreement exists, CBC will email the Prime Engager, copying the Local in whose jurisdiction the performance is taking place, prior to the engagement. If such an agreement does not exist the CBC shall be deemed to be the producer of the performance.
- 6.21 The CBC agrees to deduct National and Local Work Dues as certified in writing to the CBC by the CFM and/or its Local(s). Deductions shall be remitted monthly to the Local(s) in the jurisdiction of which the engagement takes place or the CFM office when appropriate.
- 6.22 The Contract Service Fee will be the equivalent of 11% of the Musician's Base Fee and is sent directly to the Local having jurisdiction, on all engagement contracts of three (3) Musicians or more, including Leader.
- 6.23 Any amendment to the deductions set out in Article 6.21 must be made in writing by the CFM and/or its Local(s) to the designated officer(s) of the CBC at least two (2) calendar months prior to the effective date of such amendments.
- 6.24 All Musicians employed under a Personal Services Contract by a recognized Canadian Symphony Orchestra and those Musicians who participate in the recording of the material shall be contracted and paid, except for those Musicians on sabbatical at the time of the recording.
- 6.25 Payments shall be made by the CBC not later than twenty-one (21) calendar days after the date of the engagement. All payments will be made by the CBC on or before the due

date. In the event that the CFM or the Local in the jurisdiction of which the engagement takes place notifies the CBC that a payment of original fees is late, and such payment is not made within fourteen (14) calendar days following such notice, the Musician(s) concerned shall be paid an additional two percent (2%) per month from the date of notice. The parties to this Agreement agree that late payments are not an acceptable practice, and the CBC agrees that every effort shall be made to correct the situation where it is the CBC's responsibility.

- 6.26 Whenever Musicians are engaged by the CBC or on behalf of the CBC, adequate facilities for the health, safety, comfort and convenience of the Musicians will be provided.
- 6.27 CFM and CBC agree that everyone should be able to work without fear of harassment or violence, in a safe and healthy environment. CFM, CBC, Musicians and other persons covered by this agreement shall respect applicable CBC policies in this regard and commit to maintain a working environment that is free from sexual, racial, or personal harassment and violence and discrimination in accordance with the applicable legislation.
- 6.28 Where credit is given in CBC programming to other talent unions, equivalent credit will be given to CFM and in Quebec, the logo of La Guilde should also be included in the end credits. The CFM and La Guilde will make readily available to the CBC or other producers the logos and/or credit notes in any format desired.
- 6.29 An Independent Sound Consultant who is engaged on a separate contract to assist or advise the producer or sound technician as to the musical sound quality shall receive the A7 rate, with a three (3) hour minimum. CBC personnel, including producers, may not be engaged on AFM contracts for services as sound consultants when they are engaged for other services on the same programme/engagement.
- 6.30 Engaged Musicians will advise CBC if their instrument(s) require special care or handling and CBC will make best efforts to accommodate the request.

Article 7 – REHEARSALS and AUDITIONS

- 7.1 **Non-Recorded Music Rehearsals** (includes warm ups and after shows)
 - a) A minimum one (1) hour session is permitted, if/when required by the CBC, in circumstances where this rehearsal is contiguous to a recording session and where the music rehearsal ends within thirty (30) minutes of the start of the recording session.
 - b) A minimum two (2) hour session is permitted, if/when required by the CBC, in circumstances wherein this rehearsal is not contiguous to any other recording session(s) on the same day which includes warm-ups and after shows.
 - c) A music rehearsal session is distinct from any recording session call: no recording or videotaping of any kind is permitted unless the appropriate fees are paid as

outlined in this Article. The fee for non-recorded music rehearsal shall be as per the A7 rate for each Musician, and double for the Leader and Contractor if applicable. Additional time may be prorated in one-half (1/2) hour segments.

- d) Overtime, when required, may be prorated in thirty (30) minute segments. Maximum two (2) thirty (30) minute segments permitted as a holdover on the two (2) hour rehearsal session.

Non-recorded: A7 rate per hour of non-recorded rehearsal time, with a minimum 3 hour session.

Recorded: A7 rate per hour of recorded rehearsal time, plus 50% Broadcast Fee (A4 rate), with a minimum 3 hour session.

Broadcasts: if recorded Content is broadcast, an additional 50% Broadcast Fee (A4 rate) shall be paid to each of the Musicians who took part in the rehearsal.

All performing conditions and/or percentage step-ups apply.

7.2 Auditions

All Musicians taking part in talent auditions, wherever held, shall be paid a non-broadcast fee as per A3 rates.

Auditions may be recorded subject to the following terms and conditions:

- a) If the audition is broadcast, the Musicians who took part in the audition recording shall be paid the additional broadcast fees as per A2 rate;
- b) Except as provided in Article 7.2 a), the CBC shall not, under any circumstances, exhibit such audition recordings publicly on broadcasts, in theatres, or in any other manner except privately to: i) CBC programme officials, and to, ii) prospective clients and advertisers for the purpose of selling a show of which the audition recording is a sample;
- c) In the event that the CBC retains a copy of an audition recording, terms covered in this article will be identified on all such copies;
- d) An accompanist playing for an audition or auditions, either vocal, instrumental or dramatic, shall be paid in accordance with the fees set out in A7 provided the performance is not broadcast or otherwise publicly exhibited in any way.

Article 8 – FORCE MAJEURE, POSTPONEMENT AND CANCELLATION

- 8.1 Notwithstanding Article 16.2 f), in the event that an engagement is prevented from taking place because of a labour dispute, illness of key Musician(s), fire, flood or other similar catastrophes, government regulations or order issued because of national emergency or other circumstances beyond the CBC's control, and the CBC, where possible, advises the AFM VPC and the Leader or Contractor of the circumstances at least forty-eight (48)

hours prior to the engagement date, the CBC shall re-engage members affected by this clause to provide their services within ninety (90) days of the originally contracted service date(s) or a mutually-agreed-upon date. If any of the Musicians booked for the postponed engagement cannot accept the rescheduled engagement date(s), or his/her services are not required, they shall be paid the fees originally contracted. In the event that the CBC fails to provide the forty-eight (48) hours notification when it is able to do so, the Musicians shall be paid for the engagement. If any engagement other than a Remote is cancelled, the Musicians must be paid the fees originally contracted.

In the case of a Remote engagement, the CBC shall use best efforts to record another performance of the Musicians. If the Remote is cancelled because of force majeure, the CBC will not be required to pay the Musicians.

Article 9 – ENGAGEMENT OF NON-MEMBERS

9.1 Temporary Membership Permit/Non-Member

Musicians who are not members of the AFM may be engaged under the following provisions of this Agreement under the following conditions:

The following will apply only to **Canadian citizens** or **Permanent Residents of Canada**.

- This Temporary Membership Permit provision will apply to all engagements covered by this Agreement. Copyists engaged under Article 17 of this Agreement, Arrangers engaged under Article 18 of this Agreement, and EMD Musicians engaged under Article 22 or Module 2 cannot be engaged under the Temporary Membership Permit provisions except for EMD Musicians in a self-contained group on a live engagement.
 - A Musician engaged under a Temporary Membership Permit cannot act as either a Leader or a Contractor unless the entire group is composed of permittees.
 - The Temporary Membership Permit fee shall be deducted from the non-member's contract fee and shall be seventy-five dollars (\$75).
 - Temporary Membership Permit deductions and all other payments pursuant to this Article 9 will be remitted by the CBC on a monthly basis to the Local where the engagement was performed.
 - Prior to the engagement being performed, in addition to the information provided by the Leader, the CBC shall establish the membership status of the engaged Musician(s) by contacting the Local in the jurisdiction of which the engagement is to be performed, and shall obtain a Temporary Membership Permit on behalf of the eligible non-member Musician(s).
 - When there is a substitution or an unforeseen situation, the CFM will directly provide a pool of Temporary Membership Permits in blocks of one hundred (100) when the Local of jurisdiction is not available. (To be used in emergency situations only.)
 - Subject to Article 6.15 should the CBC engage a non-member Musician without

having obtained a Temporary Membership Permit in advance of the performance of the engagement, the CBC will pay a penalty of two-hundred and fifty dollars (\$250.00).

9.2 Non-Canadian and/or Non-Resident Musician:

When the provisions of Article 9.1 above are not applicable, the CBC shall pay a fee of one-hundred and twenty-five dollars (\$125.00) per Musician to the Local in the jurisdiction of which the engagement is to be performed.

9.3 CBC may use, without payment to the CFM, the musical performance services of non-members who fall into the following categories:

- a) Elementary school teachers and elementary pupils on school broadcasts produced by the CBC for elementary school use, and not broadcast in prime time, and in which no professional actors or singers appear;
- b) Participants in a regular form of religious service broadcast from the place of worship during the service, which broadcast is produced by the Religious Broadcasts Department of the CBC (for Special Religious Services, see Article 10.3);
- c) Amateur groups, provided that each Musician may not perform for the CBC more than once in any one (1) fiscal year. The CBC shall notify the CFM and the Local in the jurisdiction of which the engagement is to take place when an amateur group is utilized. CBC shall schedule not more than six (6) such broadcasts per fiscal year. On any broadcast to which this Article applies an appropriate credit announcement shall be made to CFM. If AFM members appear with such amateur groups, provided they are bona fide Members of such groups, they may appear or perform without fee, and;
- d) Participants in bona fide talent opportunity programmes in which amateur instrumentalists are contestants, provided that an Ensemble comprising not fewer than ten (10) Members is engaged to perform for the programme, including all rehearsals.

- a) "Real-time", applies to an engagement where a Musician is hired to perform on an EMD, such performance is live, and the EMD is used in the same manner as traditional musical instruments for the purpose of performing musical effects.
- b) EMDs may be synchronized in real-time performances, but each such EMD used over two (2) individually separate DAW systems or devices in number shall be paid in accordance with doubling fees set forth herein to a maximum of seventy-five percent (75%) regardless of the number of EMDs which are synchronized.
- c) Any synchronized EMD, which is triggered by a DAW sequencer, to create separate and distinct musical parts shall be construed as a double to a maximum of seventy-five percent (75%).
- d) All applicable conditions and fees set forth elsewhere in this Agreement shall apply to real-time performances except as herein provided.

- 22.4 The B4 rates apply to sessions performed by a single Musician engaged under the EMD tracking designation and include all EMD and traditional instruments doubles, overdubs, and Leader's fee, with a maximum of three (3) minutes of recorded product per hour, with a minimum three (3) hour session.

- 22.5 Any additional work time that is required to complete the nine (9) minutes of recorded product will be paid at the B6 rate. Such overtime does not allow for additional minutes of recorded product.
- 22.6 For additional minutes for recorded product scheduled at the time of original contracting, up to ninety (90) seconds of music may be produced during each thirty (30) minute session and shall be paid at the rate of fifty percent (50%) of the B4 rate. If additional periods of not more than ninety (90) seconds of music each are not contracted in advance a rate of one hundred percent (100%) of the B4 rate shall apply, for each thirty (30) minute session.
- 22.7 When traditional arranging is required, such work shall be separately contracted under the applicable provisions of this Agreement.
- 22.8 Upon payment of the B4 rates specified in Module 6, the musical product recorded in an EMD tracking session, may be used as provided in this Agreement.
- 22.9 Additional Musicians engaged to supplement an EMD tracking session shall be paid the applicable fees in this Agreement.

MODULE 4

Article 23 – REMOTES

- 23.1 Under this Module Musicians are engaged and paid for the performance by an engager other than the CBC. Applicable rates will be paid directly to the Musicians to cover the broadcast, and are in addition to the fees paid by the Prime Engager. The recording of the public performance has no bearing on whether or not the performance would take place.
- 23.2 For Remote Fees refer to Module 6, C Rates unless otherwise specified.
- 23.3 The Prime Engager must have a current agreement/contract with the CFM or a Local (see 6.20).
- 23.4 Where no agreement/contract exists between the Prime Engager and the CFM or an AFM Local, such recording shall not be considered a Remote, and shall be paid by the CBC as an A1 Rate.
- 23.5 A contract shall be executed between the CBC and the Leader and provided to the Local.
- 23.6 When the CBC requests a sound check for the placement of equipment, the Musicians shall be paid the A7 rate for one additional hour, immediately prior to the commencement of the engagement. The CBC may use the first half (1/2) hour of this additional hour for the placement of equipment and sound check purposes.
- 23.7 **Orchestral**
- a) A Leader, a Contractor, a Conductor or a Soloist who is a regular member of the Orchestra, shall be paid double the applicable Module 6, C Rates. These are the only categories that receive step-ups under Module 4.
 - b) The CBC shall have the right to record two (2) performances of an identical concert, opera or ballet and select the best recorded segments from each to comprise the broadcast performance.
 - c) All members under contract with the Prime Engager of the concert and those engaged for the performance, including playing or non-playing librarians to maximum of two (2), shall be paid the applicable fees. Non-playing librarians shall be paid not more than the Musician's applicable Module 6, C Rates. Playing librarians shall receive an additional twenty-five percent (25%) to the applicable Module 6, C Rates. When opera or ballet companies use the services of musical companies who have agreements with Locals of the CFM, those companies should be considered the Prime Engager. Notwithstanding this provision, the parties agree that orchestral Musicians on sabbatical at the time of the recording shall not be paid.

MODULE 5

PROGRAMME EXCERPTS, PACKAGES AND DISTRIBUTION

Article 24 – PROGRAMME SEGMENT EXCERPTS

24.1 Programme Segments (Excerpts) New Use

- a) Internal Use:** The CBC has the right to extract a portion of a programme for insertion into another programme. Musicians taking part in each such segment/excerpt shall be paid in accordance with Rate A8 for insertion into one programme, for unlimited use (programme intact) in perpetuity. All Leader and Contractor step-ups apply. Such extracts shall be no more than three (3) minutes in length.

- b) External Distribution:** Where excerpts are being used by a third party, and the use does not constitute a New Use as per Article 5.23, the terms of 25.2 shall apply. Where it does constitute a New Use, the use shall be governed by the terms of Appendix B.

24.2 Excerpts in Trailers and Promos

The CBC shall have the right to excerpt up to three (3) minutes from its programmes, which excerpt may be broadcast only as a trailer or for promotional purposes for that programme for the CBC without payment to members. Such promotional use shall not include the creation of new promotional Content, such as jingles, mobisodes or webisodes. Payment to members shall apply in such instances.

- 24.3** Excerpt payments and royalties based on New Use and distributions are to be forwarded to the CFM for distribution on a quarterly basis. Royalty payments of less than \$50 will be sent to CFM for distribution on an annual basis.

Article 25 – THE PACKAGES

- 25.1** The following packages may be added up front as a prepaid use, or at any time thereafter without penalty. The provisions contained in Article 15 are applicable.

Package 1	Additional years for broadcast on CBC branded platforms ONLY.

After the third (3rd) year on the internet, if the CBC wishes to purchase additional years for internet, the Package 1 payment is applicable.

25.2 In consideration of the following listed fees, the CBC may distribute and license Programmes to non-CBC networks and platforms, including but not limited to subscriber or advertising based on-demand services (SVOD and AVOD), electronic sell-through (EST) and over-the-top (OTT) services as follows:

- c) CBC will have the right to release all broadcasts once throughout the world (excluding Canada) on public, non-commercial radio stations and/or networks without payment to Musicians. In the event that the CBC receives any revenue for such release, the provisions of 25.2 (a) or (b) shall apply.
- d) In the event CBC releases Content to a recording company, that company must be signatory to the SRLA, or shall agree to adhere to such agreement for purposes of the release. In all cases the AFM VPC shall be advised. Proof of such adherence shall be required prior to the release of the Content.

Package 2	Distribution
Fee	Musician’s Revenue Share 7.5% of the DGR
A7 Rate	No Fee or Fair Market Value seven (7) years

25.3 **a) Definition of Distributor’s Gross Receipts**

In applying the formula set forth in Article 25.3 c) for calculating Musician’s Revenue Share, Distributor’s Gross Receipts shall be included in the formula at 100% of the actual amount of such gross receipts for all Supplemental Markets. The term “Supplemental Markets” as used in this Agreement means use other than via CBC Broadcast.

As used herein, the term Distributor’s Gross Receipts shall mean the absolute gross income received by all Distributors (as hereinafter defined) from the license of Content in Supplemental Markets anywhere in the world, and including the case of a “foreign territorial sale” by any such Distributor, the income received from such sale by such Distributor but not the income received by the purchaser of the licensee. “Distributor” as used in this Agreement shall mean CBC when it distributes such Content to third parties for Supplemental Market use through its own distribution facilities and all other distributors engaged by CBC to distribute such Content for Supplemental Market use.

The Distributor’s Gross Receipts shall not include:

- 1. Sums realized or held by way of deposit as security, until and unless earned, other than such sums as are non-returnable;
- 2. Rebates, credits or repayments for compact devices of Content returned (and in this connection, CBC shall have the right to set up a reasonable reserve for returns);
- 3. Sums required to be paid or withheld as taxes, in the nature of turnover taxes, sales

taxes or similar taxes based on the actual receipts of such Content or on any moneys to be remitted to or by CBC or such other distributor; but, there shall not be excluded from the Distributor's Gross Receipts any net income tax, franchise tax or excess profit tax or similar tax payable by the CBC or such Distributor on its net income or for the privilege of doing business;

4. Frozen foreign currency until the CBC shall either have the right to freely use such foreign currency, or CBC or Distributor has the right to transmit to Canada to CBC or Distributor such foreign currency from the country or territory where it is frozen. If such currency may be utilized or transmitted as aforesaid, it shall be deemed to have been converted to Canadian dollars at the rate of exchange at which such currency was actually transmitted to Canada as aforesaid, or if not actually transmitted, then at the prevailing free market rate of exchange at the time such right to use or to transmit occurs. Frozen foreign currency shall be deemed to be unblocked on the basis of "first in, first out" unless otherwise allocated by local foreign fiscal authorities. Allocation of such unblocked funds as between revenue which serves as the basis of determining payments hereunder and other revenue shall be on a proportional basis, subject to different earmarking by local fiscal authorities.

b) Allocation of Distributor's Gross Receipts

If any agreement for distribution in the Supplemental Market includes more than one programme, CBC shall make a reasonable allocation for the purpose of determining payments due hereunder.

c) Division of Musician's Revenue Share

Individual musicians will receive a pro-rata portion of the Musician's Revenue Share based on their unit value:

- I. Conductor; Leader; Contractor; Single Musicians; Rehearsal Pianist ; Arranger – two (2) units each,
- II. Sideperson; Copyist; Librarian; Sound Consultant – one (1) unit each.
- III. Theme Musicians shall be treated as a Leader or Musician as appropriate, per episode.

25.4 Package 2 Time of Payment(s) and Reporting

The seven and one half (7.5%) payments due under Package 2 shall be made within forty-five (45) business days of the following dates: March 31, June 30, September 30, and December 31, after which time frames the terms and conditions of Article 6.26 (late payment) will apply. The late payment penalty will not apply if such payments are late due to circumstances beyond the CBC's control and if the AFM VPC is notified.

The CFM shall have the right, at reasonable times, to examine the books and records of the CBC insofar as they relate to the distributor's gross revenue.

- 25.5** The terms that apply to New Use by third parties are as per applicable AFM/CFM agreement, with notice to the AFM VPC.

- 25.6 **Promotion** – the provision of this Article will not apply if a programme or programme excerpt is being distributed for purposes of promotion of a programme, or the promotion or branding of the CBC, and the CBC receives no payment. Such promotional use shall not include the creation of a new promotional Content, such as jingles, mobisodes or webisodes. The applicable agreement and payments to members shall apply in such instances.
- 25.7 Where the CBC wishes to re-use Content, and neither the CBC nor the CFM is able to identify the Musicians involved in the original recording, a payment shall be made to the appropriate AFM/CFM Fund determined by the AFM VPC.

Article 26 – ARCHIVAL USE

- 26.1 A Programme twenty (20) years or older, which has been dormant for at least two (2) years, in sixty (60) minute increments or less may be re-used for one (1) year on any CBC platform(s) upon payment of the A5 rate to each Musician.

Article 27 – EDUCATIONAL USE

27.1 Non-Broadcast Educational Use

The CBC may release for non-broadcast, educational access to any recording of a programme to an educational or organization or institution. If the programmes are broadcast, fees shall be paid in accordance with the applicable terms of this Agreement.

Article 28 – FESTIVALS AND COMPETITIONS

- 28.1 The CBC may enter its programmes in festivals and competitions and authorize all uses ancillary and incidental thereto without additional payment to the Musicians. If the programmes are broadcast, fees shall be paid in accordance with the applicable terms of this Agreement.

APPENDIX B

NEW USE

The purpose of this Appendix is to clarify the terms and conditions related to use of CBC Content by third parties, when the use is New Use as defined in Article 5.23 b).

It is a basic requirement for any release covered by this Article that the material in question first be contracted under the CBC/CFM General Production Agreement. Notwithstanding, individual situations shall be subject to prior discussions and agreement between the CBC and the CFM through the office of the AFM VPC.

The parties agree that all arrangements detailed below shall be subject to regular review and shall be discussed at the regular joint committee meetings.

1. Licensing to a third party

- a) In all cases where licensing CBC Content to a third party (the "Licensee") constitutes New Use as per the terms of Article 5.23, the AFM VPC shall be advised.
- b) It shall not be considered New Use if CBC licenses audio Content to a Licensee (including a self-representing musician, a distributor or a recording company) for commercial audio exploitation that CBC has previously released for commercial exploitation, including Content from the CBC Records catalogue. In such cases, CBC will ensure that prior to releasing the Content, it has obtained proof that the Licensee has signed a letter of agreement with CFM specifically related to the exploitation being licensed. CBC will not be responsible for payments to musicians based on the Licensee's exploitation of the Content.
- c) CBC may license Content in which it holds copyright only when the Licensee has become a signatory or signed a Letter of Adherence to the appropriate AFM/CFM Agreement. Prior to releasing the Content to the Licensee, CBC will require proof of such adherence to a CFM/AFM agreement.
- d) CBC will apprise the Licensee of the Licensee's responsibility for any applicable mechanical licenses, synchronization fees, or any necessary clearances.
- e) The AFM Signatory cannot be an individual who performed in the Content to be licensed.
- f) For each New Use License issued during the quarter concerned, CBC will provide the CFM with a quarterly report showing the recording name, artist name, the Licensee and their contact information, the specific nature of the use (including the title), the date of the license and the amount of the license fee.
- g) CBC shall collect the New Use fee and associated pension contribution payable (as set out in the section 2 below) from the Licensee and remit it to the CFM, with the quarterly report prescribed in subparagraph (f) above. The CBC shall also provide a copy of the original contract under which the musical Content was recorded. Upon remittance to CFM of the New Use fee and associated pension contribution, CBC will not be responsible for payments due to musicians based on the Licensee's exploitation of the Content.
- h) The CFM shall distribute, on a pro-rata basis, the New Use License fee to the musicians originally contracted, as well as forwarded payment to the Musicians' Pension Fund of Canada.
- i) Should the CBC wish the Licensee's contract to include terms that allow the Licensee to sublicense the Content for a subsequent New Use by another party, the CFM and CBC will

first come to an agreement with regards to an appropriate New Use Fee in connection with such License.

2. New Use Fees for Non-Commercial CBC Content (audio only)

I) Traditional Uses (TV broadcast, cable exhibition, or motion picture):

- a) If the CBC licenses Content for New Use, the New Use payment payable in connection with each license shall be greater of 7% of CBC's revenue from such license or \$165 (One Hundred and Sixty-Five Dollars). In addition, each license shall be subject to pension contribution as contained herein.
- b) If the CBC licenses its Content for one thousand dollars (\$1000) or less, the New Use fee payable shall be 7% of CBC's revenue from such license, with a minimum of not less than \$100 (One Hundred Dollars). In addition, each Licensee shall be subject to pension contribution as contained herein.
- c) If the CBC licenses its Content for \$5000 (Five Thousand Dollars) or more, the New Use shall be based on the fees contained within the appropriate AFM/CFM Agreement related to such use.
- d) In the event CBC releases Content to a recording company, that company must be signatory to the SRLA, or shall agree to adhere to such agreement for purposes of the release. In all cases the AFM VPC shall be advised. Proof of such adherence shall be required prior to the release of the Content.
- e) Commercial Announcements (Jingles) and Video Games – the provisions of the applicable AFM agreements covering this work shall apply.

II) Non-Traditional Uses:

- a) If CBC licenses musical Content for Non-Traditional Uses (as defined below), the New Use fee payable shall be 5% of CBC's revenue from such licenses (including license fee, per unit royalty or other form of payment for such license).
- b) Non-Traditional Uses, as used herein, shall be defined as the use in:
 - i) a digital chip (or its equivalent) in connection with a consumer product (except Video Games);
 - ii) consumer-based Internet sync licensing or;
 - iii) mobile applications, or
 - iv) an audio/visual programme made for initial exhibition in New Media (eg. Webisodes, video podcasts, etc) but not including uses in programmes comparable to traditional full-length, scripted television programmes that are produced for initial exhibition on paid streaming services.

3. New Use Fees for Non-Commercial CBC Content (audiovisual only)

Where CBC licenses audiovisual Content containing performances contracted under this General Production Agreement, the office of the AFM VPC shall be notified and CBC shall have proof that the Licensee has signed a letter of agreement with the CFM specifically related to the exploitation being licensed. CBC will not be responsible for payments to musicians based on the Licensee's exploitation of the Content.
